The album section of the Epitome contains the familiar faces of all the students, faculty, administration, and staff. These people in our school give it the needed personality and spirit which serves as a colorful backdrop for our educational system. Not all of our education stems from the classroom. Much is learned through our associations with other students. — Now let us recall the schoolyear of 1960-61 by walking DOWN MEMORY LANE with people.

THE FUTURE IS IN OUR HANDS

We, the class of 1961, are prepared to enter that future without fear. We feel that we are prepared to meet the demands the future will make upon us. We will be the leaders of tomorrow — the leaders in science, government, industry and education.

Our world has made great strides of progress, but the strides that are to come will be even greater. And we, the class of 1961, will be the creators of these advances. Yes, truly THE FUTURE IS IN OUR HANDS.

Mr. Carlson keeping the wheels of the administration and school turning.

The School Board members and the Superintendent of Schools are responsible for all the factors necessary in order to keep the school system in smooth running order. They devote many hours of hard work organizing the Hagerstown schools.

Most people don't realize the time and effort that our School Board gives to make our school the top-notch organization it is. The School Board is the backbone of our educational system. Through constant study and hard work our School Board is able to make competent decisions of school policy, building and ground improvements, curriculum changes, the hiring of teachers, and many others. We are indeed fortunate to have the fine School Board we do. They are, left to right: Mr. Federico, Superintendent Carlson, Mr. Doerstler, Mr. Allen, President and Township Trustee, Mr. Stewart; and Mr. Martin.

Sports form the basis for the intense school spirit found at H.H.S. Though our teams may not be as big as some of the teams in our area, our teams are fighting ones and always give a good account of themselves; they are well respected by H.H.S. foes. High school sports at Hagerstown are well received and backed by the community because they form a fine competitive spirit in the students at H.H.S. — Now let us recall the schoolyear of 1960-61 by walking DOWN MEMORY LANE with sports.

Basketball

Each school year, the basketball season is awaited with eager anticipation. This year was no exception. The Tigers jumped off to a roaring start with a big victory. They kept the fire burning all season.

With the start of the game growing very near, the cheerleaders are building up the enthusiasm of the crowd.

The Hagerstown Tigers, with several returning lettermen, posted a 10-12 season record, the best in several years. The team performed very creditably against some of the state's top ranked powers, nearly upsetting eighth ranked Lawrenceburg and losing a two pointer to twelfth ranked Royerton. The team also gained renown locally by winning the Cambridge City Invitational Tourney and by defeating powerful Centerville twice during the season. The Tigers were eliminated in the semi-final round of the sectional by the sectional champions, Cambridge City.

Varsity

The Tiger mentor, Coach Pete Armstrong, in his first year with the Tigers brought to Hagerstown some of his winning ways from Decatur Central where he coached his team to a sectional victory. He has backed the Tigers all the way and is respected and admired by all the fans and players. We look for many successful seasons under Coach Armstrong.

Activities Section

Extracurricular activities are very important to the lives of the students of H.H.S. These activities develop leadership and character in those individuals who actively participate in them. H.H.S. not only develops the student academically, but socially as well. — Now let us recall the schoolyear of 1960-61 by walking DOWN MEMORY LANE with activities.

F. H. A.

The Future Homemakers of America is an organization designed to make better homes for the future. They do this by meeting the various goals set up by the district, state, and national organizations. Mrs. Braun and the cabinet have done commendable work in encouraging the girls to carry out their many projects and activities in order to reach these goals.

OFFICERS: Sandra Buhl, Treasurer; Janet Smith, Reporter; Margie Messer, Parliamentarian; Mary Ann Rinker, Vice-President; Marilyn Snyder, President; Mary Jane Reneau, Historian; Joyce Smith, Secretary; Nola Hatfield, Project Chairman; Wanda Perdue, Sang Leader; Mrs. Braun, Sponsor.

F. F. A.

Left to Right: Bill Worfel, Sentinel; Roger Waltz, Reporter; Gene Warner, Treasurer; Gerold Gentry, President; Jim Hershauer, Secretary; Darryl Pass, Vice-President.

The Hagerstown F.F.A. Chapter ranks in the top three of the state. Their recent achievements include a silver emblem rewarded to them on a national basis and successful dairy and crop judging teams in state competition. Members of the club are pictured below with Mory Anne Gilmer, F.F.A. chapter sweetheart.

Under the leadership of Ledward Smith, the F.F.A. boys display their quality sheep before the camera.

Mary Anne Gilmer, 1960-61 F.F.A. Chapter Sweetheart, adds a spot of beauty to the club. She competed in the District F.F.A. Chapter Sweetheart Contest where she won first place. The chapter is proud to have Mary Anne as their sweetheart.

A typical scene on the farm! Yes, the F.F.A. farm is located south of Hagerstown on old 38. It gives boys an opportunity to obtain the first hand experience they need to become successful farmers.

The Girls' Athletic Association is an organization which gives H.H.S. girls a chance to develop athletic ability and sportsmanship, and to make new friends. The girls participate in such sports as softball, basketball, field hickey, deck tennis and volleyball. Girls who are interested in any of these sports are eligible to become a member and compete against teams from other schools. G.A.A. meetings and activities provide outside recreation and good times for the members.

Latin Club

Sally Doughty, Secretary; Alan Merchant, House, Sergeant at Arms; Richard Ring-eisen, President; Chris Murray, Treasurer; Marilyn Snyder, Vice-President.

The Latin Club is composed of all the students who have had one year or more of Latin. Through the interesting meetings provided by Miss Frum and the members, students receive a modern day view of how the ancient Romans lived. The highlight of the club's activities comes in March when the members hold a Roman Banquet.

Spanish Club

Carolyn Wall, Secretary; Sara Hoffman, President; Joy Ammerman, Vice-President; Susan Detweiler, Treasurer.

Spanish Club is an organization set up to add color and interest to the Spanish language. This is done by learning more about their ways and customs. The club members participate in skits and games, listen to records, and watch slides and films. Mrs. Carpenter adds much to this by supplementing with tales of her many experiences. This is one of the many ways in which we can learn to know and live with our South American neighbors.

The Y-Teen Club is a Christian organization, affiliated with the Y.W.C.A. Its membership is open to all girls in the senior high school. Through the years, the Y-Teens have become the school's largest service club.

In the month of December the club holds the traditional "Hanging of the Greens," and in April they honor their mothers by having a Mather and Daughter Banquet. Aside from these, the club carries on many service projects throughout the community and the school.

Y-Teens

Carolyn Woll, President; Virginia Fread, Vice-President; Linda Estey, Corresponding Secretary; Carole Restler, Recording Secretary; Shirley Matney, Treasurer; Mrs. Helm, Sponsor; Joyce Smith, Devotions; Mary Anne Gilmer, Program Chairman; Susan McKinnon, Assistant Program Chairman; Marilyn Snyder, Social Chairman; Linda Rinehart, Service; Judy Brown, Publicity; Virginia Hill, Historian; Judy Hillbert, Song Leader; Mary Jane Rinker, Senior Representative; Carol Estey Freshman Representative; Judy Tucker, Sophomore Representative; Ruth Davis, Junior Representative.

The Hi-Y Club is one of the most active service clubs in our school. Once a year the Hi-Y sponsors a "self-improvement week." During this week all students are urged to be especially aware of the Hi-Y platform—clean speech, clean sports, clean scholarship, and clean living.

For the benefit of its World Service donation, it operates a hat and coat check, sells ice cream, takes up an offering at meetings, and has one or two other money-making projects during the year. At the beginning of each week, scriptures are read over the P.A. system by the Hi-Y chaplain. Our school indeed benefits from the Hi-Y Club.

Bottom to Top: David Kutter, President; Gale Stohler, Vice-President; Alon Merchanthouse, Secretary; Dick Ringeisen, Treasurer; David Federica, Chaplain; Jay Reed, Sergeant at Arms; Mr. Nichols, Advisor.

Epitome Staff

The yearbook staff each year has one important function — the publishing of the EPITOME. Because of endless hours of preparation and planning the 1961 EPITOME is new and different from cover to cover! This year, for the first time, the EPITOME was printed by the offset method. Because of this we have versatility of lay-outs and color in the front of the book. We, the EPITOME editors, think that this method is much better than that used in the past and we hope that classes in the years to come will continue to use this method.

Pictured above are the members of the 1961 Epitome Sales Staff. They did a remarkable job and sold a record number of books this year. This is the first year that we have had such a staff and we hope that this practice will continue.

Pictured left to right are: Judy Davis, Mary Anne Gilmer, Joan Nicholson, Linda Ferrell, Marilyn Murray, Betsy Cook, Sales Manager; Judy Brown, Mary Ann Rinker, Sharon Stevens, Sara Hoffman, Larry Harty, Star Salesman; Sandy Dougherty, Herman Adams, Roger Burgess, Assistant Editor; Chris Wichterman, Ray Jordan, and David Federico, Editor.

This is just one of the many work sessions needed to put the Epitome to press.

However, some meetings weren't completely devoted to the yearbook. All work and no play is fun for no one; we're no exception!

National Honor Society

The National Honor Society, formed in 1954, is a respected organization which strives to influence students to be better citizens. It bases its principles on leadership, character, scholarship and service. The National Honor Society is designed for the all-around student and not necessarily the book worm. Scholarship is, however, the first point that eligibility is based upon. One must attain a B average in his semester grades before being considered; the other three criteria are considered before the selection is made. Members of the National Honor Society Selection Committee are: Mr. Nichols, Marilyn Snyder, Mr. Barnhart, Mrs. Devine, Mrs. Helm, Mr. Stone, David Federico.

Student Council

First Row: Mr. Stone, Advisor; Carol Tucker, Secretary; Darryl Pass, President; Judy Davis, Vice-President; Marilyn Murray, Treasurer. Second Row: Janie Welliver, Judy Hayes, Carolyn Bollinger, Anita Wilson, Carol Resler, John Seffrin.

Mr. Stone and Darryl Pass work with one of the projects carried out through our student council.

This is the second year for student council at Hagerstown. Its purpose is to improve our school through student opinion. Working as a service organization, the student council sponsored the annual Christmas program, helped the Phi Chi Epsilon Sorority in collecting money for the polio fund, and assisted in some of our school elections. Mr. Stone and the council are to be commended for the fine work they have done.

Library Assistants

The library assistants, under the direction of Mrs. Helm, add very much to the efficiency of our library. In addition to stacking, sorting, and checking books, they also prepare monthly bulletin boards and help fellow students find magazines, books, and pamphlets. Yes, without the library assistants, the library would not be complete.

Left to Right: Carol Tucker, Anita Fouts, Susan Hunnicutt, Mrs. Helm, Ruth Ann Davis, Phyllis Bertram, Betsy Cook.

Office Girls

This picture represents a typical day in our high school office with Mrs. Stewart and the six office girls at work. They are an aid to all the students as well as to the school.

Left to Right: Mrs. Stewart, Linda Rinehart, Sara Hoffman, Virginia Fread, Betsy Lacy, Poulette Lindsey, Susan McKinnon.

Junior Red Cross

The Junior Red Cross is a division of the International Red Cross Organization. The Hagerstown J.R.C. has built a gift chest to send overseas to an underprivileged area. This chest contains enough material to start a small school. To support their service projects the H.H.S. Junior Red Cross sponsors a spring variety show.

First Aid

Mr. Sedgwick has done remarkably well in teaching the seventh and eighth graders how to give first aid as well as prevent accidents. They learn how to take care of cuts, burns, broken bones, shock, and many other things. At the end of the year the students receive cards signifying they have completed the first aid course.

Boche-ville

The Class of '61 paid tribute to the Romans by using the theme, "Bacchanalia" for their Junior-Senior Prom. Many hours were spent in the preparation of this gala event. The prom committees, under the direction of prom chairman Nick Jarrett, developed novel and unique ideas. As shown by the pictures on the left, the couple first noticed the beautiful fountain and the picturesque statue in the background. The couples were seated among grape arbors with Romanesque murals and columns surrounding them. Our class certainly appreciates the time and energy given by our sponsors, Mr. Jackson and Mr. Barnhart, to make our prom the success it was. The 1959-60 prom was reigned over by Carol Tucker and David Federico.

Every four years the senior government classes hold a mock election. Several weeks were devoted to campaigning by the two organized major political parties, and acquainting the students with the necessary instructions needed before voting. In voting booths, the student casts his ballot for the national, state and county officials of his choice. The seniors believe that the time and effort put into this was well spent, because the training gained here will be helpful to all of us when we reach voting age.

Well, back ta classes in a few
minutes, UGH!

What a lyre.

Oh H.H.S., our Alma Mater

Something is in there, I know
it is!

Be careful, Alan.

Education is the foundation of our modern civilization; a person with an education has an opportunity to better himself and his generation. H.H.S. offers a wide variety of subjects to prepare one with any type of education he may want — vocational or academic. A high percentage of Hagerstown graduates use their high school education as a background for college while for many it is their highest level of formal education. — Now let us recall the schoolyear of 1960-61 by walking DOWN MEMORY LANE with classes.

Mr. Lester watches while Betsy Johnson explains an equation.

Joe Haisely gives a demonstration for the plane geometry class. First Row: Susan McKinnon, Judy Johnson, Sue Hunnicutt. Second Row: Marilyn Murray, Cathy Martin. Third Row: Jan Ammerman.

Mary Anne Gilmer and Judy Davis illustrate that girls do take senior math. Watching are Larry Harty, Mr. Nichols, Chris Murray, Joe Nicholson, and Alan Merchanthouse.

Science

ADVANCED ALGEBRA — Looks like Mr. Nichols is losing another argument to Lee Reynolds.

PHYSICS — Mr. Bornhart explains the difference between a physical and chemical change to Ed Burket, Virginia Fread, Sally Detweiler, Betty Rinehart, and Paul Leeko.

CHEMISTRY — Kathy Heath, Chris Murray, Shirley Motney, Judy Davis, Don Allen, Alan Merchanthouse, and Carolyn Wall watch closely while Mr. Barnhart explains an experiment.

Mrs. Howley explains the correct use of the microscope to one of her biology classes.

Mr. Suminski watches Sara Hoffman dissect her grasshopper in Advanced Biology.

Jim Rutherford identifies the muscles of the upper body for Mr. Suminski and the health class.

Lorry Harty shows the voting precincts of Hagerstown to Mrs. Devine and her seventh period government class.

Mr. Barnhart having a little fun with his world history class.

Mr. Bornhart's U.S. History classes not only learn history, but have fun doing it, as you can see by the expressions on their faces.

"Gaulia est," Vickie Chamness says to Miss Frum.

Many students think that Latin is dead, but it has proved to be an exciting travel through a land of romance and thrill to those students who have studied Latin under Miss Frum.

Spanish classes taught by Mrs. Carpenter have enjoyed learning the language and customs of our neighbors "South of the Border."

We all know how important our knowledge and use of the English language is to us. With the addition of another English course to the four already offered, our correct use of the English language can be perfected.

"Buenas dias," from Steve Beeson, Janell Isaacs, Ruth Davis, Daren Weaver, Sheryl Davis, Jane Bowman, Sandra Snowden, Mrs. Carpenter, Vickie Shafer, and Judy Neel.

Languages

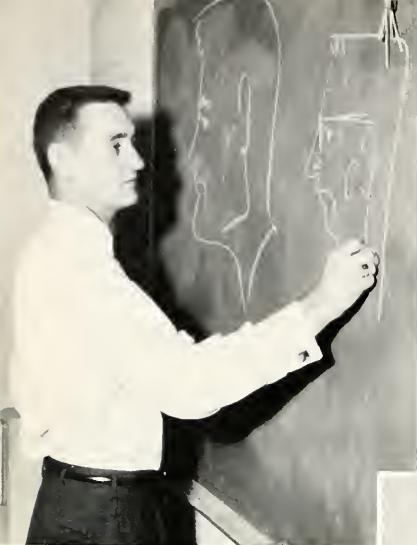

Mr. Ervin and Chris Murray seem to differ a little on that diagram.

Carol Tucker gives one of her famous speeches in speech class.

Art

The art department is very active throughout the school as illustrated by the numerous posters seen around the school. During the year, there are two contests in which the individual artists enter — the Scholastic Art Award Contest for creative achievement on original work and Mr. Jackson's own private contest in which an award is given on the basis of initiative and imagination of the individual.

MR. JACKSON

First Row, Left to Right: Mary Rutherford, Gary LaMor, Karen Stevens, Sharan Stevens, Wendell Dale, and Christie Brown.

Jim Rinehart, Ronnie Hutchinson, Mark McKinnon, Bruce Montgomery, David Scarlette, Steve White, Lee Murray, Mr. Jackson, and Jimmy Shafer.

Jean Rector, Mr. Jackson, Judy Littan, Barbara Nicholson, Joan Nicholson.

MISS FREEMAN

Chorus

The student body and local organizations have enjoyed very much the performances given by the H.H.S. Chorus during the post school year. Miss Freeman and the students spend many extra hours getting their music right to give the best possible performance, so the chorus has become an activity as well as a class.

CHORUS OFFICERS — Phil Murroy, Sharon Stevens, Ann Hormel, Linda Ferrell, Chris Wichterman, Sid Stewart.

CHORUS — First Row: Jaan Nicholson, Wanda Perdu, Lucinda Beeson, Pomelo Kutter, Solly Detweiler, Judy Hilbert, Roberta Dines, Connie Hoffman, Sora Hoffman, Joyce Smith, Ann Hormel, Karen Stevens. Second Row: Linda Murray, Patricia Williams, Virginia Bowman, Linda Ferrell, Mary Anne Gilmer, Sally Doughty, Sharon Stevens, Sheila Hamilton, Karen Boren, Phyllis Berstrom, Cherryl Davis. Third Row: Dick Reingeisen, Herman Adams, Chris Wichterman, Larry Harty, Gerald Schall, Phil Murray, Sid Stewart.

The Golden Tiger Band gives many interesting and entertaining performances during the school year and also in the summertime. Their half-time portrayal of certain themes add much to the football games. The band received high recognition for top performance at the State Fair, and it contributes much to the school spirit at H.H.S.!

BAND CABINET — First Row: Blair Bookout, Susan Marlatt, Sally Detweiler, Mary Jo Cain, Mary Anne Gilmer, Larry Harty, and Roger Burgess. Second Row: Mark McKinnon, Roy Jordan, Tom Drake, Don Allen, Chris Wichterman.

Home Ec.

Cooking and sewing are not the only things emphasized in home economics. Home furnishings, a Red Cross course, preparation for marriage course, and child care are among the other subjects studied in home economics.

"Ummmm, sure smells good!" Janice Ash, Mary Gail Humphrey, Penny Meyer.

"This is the proper way to set the table," say Linda Overby, Doris Garvin, Linda Hayes, Debbie Droke, and Cheryl Clevenger.

Making curtains for their Home Ec. room are Judy Masters, Carolyn Sutherland, Sue Lee Duvall, Sandra Buhl, and Judy Riggs.

TYPING — Mrs. Roemer points out the parts of a typewriter to her second period typing class.

SHORTHAND — First Row: Barbara Masters. Second Row: Sally Doughty, Judy Hilbert. Third Row: Joyce Smith, June Tucker, Roberta Dines. Fourth Row: Mrs. Barnhart, Karen Stevens, Dianne Beeson, Judy Davis, Marilyn Snyder.

OFFICE PRACTICE — Mrs. Barnhart, Loma Hoover, Judy Riggs, Wanda Ballinger, Judy Masters, Corolyn Wall, Lucinda Beesan, and Judy Brown are working with business machines which will be found in most offices.

BOOKKEEPING — Mrs. Barnhart explains a transaction to Mary Jane Reneau and Loma Hoover.

Shop

Wood shop is a course given to all eighth grade boys. This course teaches the boys how to work with wood and operate various kinds of machinery. Skills that will stand them in good stead in later years.

Machine shop is one of the more specialized shop courses offered. This course deals with the machining of metals of different kinds.

As you can see by the picture, advanced shop teaches many technical things.

The boys taking mechanical drawing are the picture of concentration.

Ag.

The 44 members in Vo. Ag. at H.H.S. have a much better opportunity today than others had a few years ago. In addition to their Ag. room, they have two outdoor classrooms, a farm located west of the sawmill, and hog lots located north of the football field. Boys taking Vo. Ag. also are exposed to courses in Farm Shop and Ag. Science. H.H.S. is the only school in Indiana to offer Ag. Science.

Gerald Gentry, David White, and Mr. Smith watch as the sow eats.

Future champions?

Mr. Smith demonstrates how to test soil.
